

COVENANT OF FAITH, RESPECT AND MUTUAL CONCERN

With deepest respect for the uniqueness of our religious denominations and at the same time recognizing that we share

- in the written word of God
- in the life of grace
- in faith, hope and charity
- in the gifts of the Holy Spirit,

and acknowledging that all of these come from Christ, lead back to Christ and form the basis of our unity in faith, we take this moment in time

- to pledge our willingness to work together
- to respect our differences
- and to strengthen the bonds of charity between us.

While honoring our diversities we commit ourselves to seek a common ground in order to share our concerns in prayer, to actively build a community of faith that embraces all who make Jamestown their home and to commit ourselves to make real the Gospel of Christ in the interactions of our respective congregations.
